

# HIGH CLOSE SCHOOL

Changing childhoods, changing lives

**Our Mission:**

**Every young person should have access to the equivalent opportunities as their peers in an environment that can meet their needs**

---

Our expectations for our young people are realistic but ambitious and we will work together to make them a reality.

**We aim to do this by:**

We work in partnership with parents, carers and other stakeholders for the benefit of our young people.

We safeguard our pupils and staff to ensure their well-being and protection from harm.

We provide a broad and balanced curriculum that meets both academic and social requirements of our young people.

We help to prepare our young people for adult life and develop understanding of independent healthy living and employment in their community.
